

## Curriculum Vitae

*\* CV must be written in English*

Personal Information	
Title (i.e. Pf., Dr., etc.)	Pf.
Name (First Name/ Middle Name /Last Name)	Soo-Young Na
Degree (i.e. MD, MSc, PhD, etc.)	MD, PhD
Country	Korea
Affiliation	Incheon St. Mary's Hospital, College of Medicine, The Catholic University of Korea, Korea
E-mail	sktndud@hanmail.net
	
Educational Background	
Bachelor's degree, College of Medicine, University of Ulsan	
Master's degree, College of Medicine, University of Ulsan	
Doctor's degree, PhD, School of Medicine, Jeju National University	
Professional Career	
Resident training, Asan Medical Center, College of Medicine, University of Ulsan	
Fellowship training, Asan Medical Center, College of Medicine, University of Ulsan	
Associate professor, Jeju National University Hospital, College of Medicine, Jeju National University	
Associate professor, Incheon St. Mary's Hospital, College of Medicine, The Catholic University of Korea	
Vice director, IBD Research Group of the KAISD	
Research Field	
Inflammatory bowel disease	
Colorectal neoplasms	
Main Scientific Publications	
Efficacy, tolerability, and safety of oral sulfate tablet versus 2 L-polyethylene glycol/ascorbate for bowel preparation in older patients: prospective, multicenter, investigator single-blinded, randomized study. J Gastroenterol 2024;59:402-410.	
Advancements in the Management of Moderate-to-Severe Ulcerative Colitis: A Revised 2023 Korean Treatment Guidelines. Korean J Med 2023;98:223-230.	
Treatment of inflammatory bowel disease-Asian perspectives: the results of a multinational web-based survey in the 8th Asian Organization for Crohn's and Colitis meeting. Intest Res 2023;21:339-352.	
Cold snare polypectomy versus cold endoscopic mucosal resection for small colorectal polyps: a multicenter randomized controlled trial. Surg Endosc 2023;37:3789-3795.	
Korean clinical practice guidelines on biologics and small molecules for moderate-to-severe ulcerative colitis. Intest Res 2023;21:61-87.	
Recent advances in surveillance colonoscopy for dysplasia in inflammatory bowel disease. Clin Endosc 2022;55:726-735..	
Management of inflammatory bowel disease beyond tumor necrosis factor inhibitors: novel biologics and small-molecule	

drugs. Korean J Intern Med 2022;37:906-919.

Vitamin D and colorectal cancer: current perspectives and future directions. J Cancer Prev 2022;27:147-156.

Capsule endoscopy in inflammatory bowel disease: when? to whom?. Diagnostics 2021;11:2240.

Next Generation Fecal Microbiota Transplantation. Clin Enosc 2021;54:152-156.
